Motion Graphic Designer – Marketing

The Marketing Creative team is looking for a rockstar Graphic Designer who has a diverse set of skills and experience in online advertising promotions, marketing campaigns, display ads, and emails. Ideal candidate excels at delivering high-quality, thoughtful work that integrates marketing concepts and takes an artistic approach to their craft.

We are committed to developing high quality casual and multi player games! Come join us ... we're having a ball!

Responsibilities:

- Strong conceptual and visual design skills leading to creative and innovative online advertising
- Support Online Marketing team in creating and designing online ads, including animated/motion graphics, standard display ads, emails, and other assorted online advertising media units
- Work closely with Sr. Creative Manager on brainstorming concepts and able to communicate artistic approach

Required Skills:

- At least 5 years professional experience developing online advertising creative
- Strong knowledge of Adobe CS5 Suite including: Illustrator, Photoshop, and After Effects. HTML chops would be a plus.
- Must be able to work well in extremely fast-paced environment with high volume projects and quick turn-around
- Understanding of online marketing channels including display advertising and email
- Ability to incorporate brand guidelines and adhere to best practices
- Self-starter with ability to thrive under pressure in a fast paced environment
- Exceptional communication skills and with a team-first attitude
- Bachelors Degree in Graphic Design
